Bloodmobile Visit Success

When the Red Cross Bloodmobile visited Appomattox County on Tuesday from noon until 6 p.m., the visit was quite successful considering the number of persons with flu, colds, and the well known "bug" that is continually going around.

With a total of 101 units of blood needed in order for our county to reach its quota, 139 persons donated a unit of blood, thus making the county 100% in the blood program.

A special thanks goes to Rev. Earnie Lucas, pastor of Bible Baptist Church, for doing an excellent job as Recruitment Chairman.

Girl Scout Cookie Sale Set

February 15 through the 28 has been scheduled for the 1975 Girl Scout Cookie Sale. Area Scouts will be soliciting orders throughout this time.

This is the one and only major way that the entire county can encourage and support Appomattox County Girl Scouting in 1975.

The annual cookie sale gives our Girl Scouts an opportunity to earn money for their troop activities; to assist them in being able to participate in special Girl Scout functions; to give them direct service; and to purchase equipment and property on their behalf.

Each girl will have a large and detailed order form describing the five distinct types of cookies.

Mrs. Howard Temple, is the 1975 Cookie Chairman for Appomattox County. The scheduled delivery date for this county is April 2. Each Girl Scout is responsible for delivering her order during the time period of April 3 through April 12.

Please realize the importance of this cookie sale to your Girl

New Johnny Cash Film To Be Shown At Liberty

The story is old, but the perspective is up-dated and brought into sharp focus by the film THE GOSPEL ROAD to be shown on Sunday evening, February 16, at Liberty Baptist Church. The showing will begin at 7:30 p.m.

THE GOSPEL ROAD, distributed by World Wide Pictures, was conceived and produced by Johnny Cash and his wife, June Carter Cash whose desire was to tell the story of Jesus Christ in a realistic and meaningful way.

The film is a unique blend of scripture - based narrative, an abundant supply of specially written songs, and a series of in-depth character portrayals, with Israel itself as the mixing bowl.

You are there, walking beside the Jordan and the Sea of Galilee; you are there, seeing Him in many human situations that establish a practical and personal rapport with every viewer. You are there, being introduced to the disciples, and gaining insights into their varied personalities. You are there, experiencing the highly charged emotional impact of the trial before Pilate, and becoming so personally involved that you feel sympathetic pain when Robert Elfstrom, in an outstanding portrayal of Christ, suffers the physical attack that precedes the Crucifixion.

Adding to the effectiveness of THE GOSPEL ROAD is its endeavor to convey reality for this day are; the fascinating treatment of the Crucifixion, making this tragedy an event of significance that reaches from its own time across the years to take on meaning for all men of all ages; and the songs and background music of Johnny Cash and other outstanding musicians, whose contemporary style is not out of keeping with the story . . . a story that reveals that His darkest day has become our brightest.
